

FLY WITH US! STATE OF UTAH DIVISION OF AERONAUTICS

Why flying makes sense!

- Build your day around YOUR schedule: avoid security lines and traffic jams.
- Fly to cities not served by airlines.
- Set round trip rates. You know exactly how much it costs to get there and back.
- Use the time on the aircraft to discuss meeting goals and outcomes.
- Get to your 10:00 am in Richfield, your 1:00 pm in Cedar City and still be home in Salt Lake for dinner.
- No COVID. We clean and disinfect the entire airplane after each flight.
